On Thursday, May 7<sup>th</sup>, we had a virtual meeting with our insurance company Church Mutual. Our insurance company said it is important to make safety for our church members top priority during these times of Covid-19. Therefore, we are implementing the following safety procedures in our church during office hours:

Office personnel (Pastor Mark, Mary, and Gayle) will be wearing masks when out of their offices or when someone enters their office space.

In addition to social distancing (standing a minimum of 6 feet apart), we are asking that visitors wear masks.

There will be a sign-up sheet by the office door that visitors (anyone who enters the building at any time—day or night) need to sign and date. This will be used for contact tracing in case we need to let someone know they might have been exposed by someone who was in the building the same day.
