Arr. by Anna Laura Page

Welcome

***Call to Worship** (inspired by Hebrews 12)

Leader: In the rising of the sun and in its going down

People: We remember them.

Leader: In the dance of autumn leaves and the promise of winter snow

People: We remember them.

Leader: When we find ourselves moved by a smile or twinkling eye

People: We remember them.

Leader: When we hunger for community as much as food

People: We remember them.

Leader: When we are broken and searching for faith

People: We remember them.

Leader: When we have new victories to celebrate

People: We remember them.

Leader: When we struggle with unanswered questions

People: We remember them.

Leader: When we tread the solid ground they prepared

People: We remember them.

Leader: As long as we live, they too will live, for they are part of us.

People: For we are surrounded by a great cloud of witnesses who have gone before us.

ALL: Thanks be to God!
